

DNA-Confirmed Observations Index

List: Calhoun County-AL — fungi-of-alabama-ams-fundis-local-project

Offline note: this PDF can be viewed offline. External iNaturalist links require internet access.

1. *Entoloma*

Observed: 2023-07-21 | Observer: Jennifer Taylor

Common name: Pinkgills

iNaturalist: <https://www.inaturalist.org/observations/174118710>

2. *Purpureocillium atypicola*

Observed: 2023-06-23 | Observer: Jennifer Taylor

Common name: Not provided

iNaturalist: <https://www.inaturalist.org/observations/169066987>

3. *Amanita magnivelaris*

Observed: 2023-05-16 | Observer: Jennifer Taylor

Common name: Great Felt Skirt Destroying Angel

iNaturalist: <https://www.inaturalist.org/observations/162063134>

4. *Hebeloma albomarginatum*

Observed: 2022-12-06 | Observer: Jennifer Taylor

Common name: Not provided

iNaturalist: <https://www.inaturalist.org/observations/143808393>

5. *Calvatia rubroflava*

Observed: 2022-09-16 | Observer: Jennifer Taylor

Common name: Not provided

iNaturalist: <https://www.inaturalist.org/observations/135287409>

6. *Ophiocordyceps sphecocephala*

Observed: 2022-07-31 | Observer: Jennifer Taylor

Common name: Not provided

iNaturalist: <https://www.inaturalist.org/observations/128819614>
